

COMMUNITY NARCAN TRAINING

Learn to Save A Life

Would you like to be able to do something in the event of an overdose? The purpose of this training is to put the opioid reversal agent, naloxone, in the hands of family and friends of individuals at risk of overdose.

At the completion of the training, attendees will receive a (2pk) Naloxone Nasal Spray.

Training includes:

- Overdose Prevention Strategies
- Signs & Symptoms of Overdose
- How to Administer Naloxone
- Good Samaritan Law
- Support Information & Resources

The training will be presented by Rayallen Bergman, Community Coordinator, SERAC (Southeastern CT Regional Action Council)
