## **About Decoda**

As an artist-led collective, Decoda seeks to create a more compassionate and connected world through music—thoughtfully curating outstanding performances of live chamber music, facilitating creative community projects, and training the next generation of musical artists to rethink and reimagine their role in society.

## **About Musical Masterworks**

Musical Masterworks is able to offer these concerts thanks to grants from **Community Foundation of Eastern Connecticut, CTHumanities, The Kitchings Family Foundation** and **Samuel Freeman Charitable Trust**.

Musical Masterworks presents chamber music, traditional and contemporary classical music composed for small ensembles, as well as educational programs, to the Shoreline area. Our main series consists of five concert weekends per year, performed at the First Congregational Church of Old Lyme. We are currently celebrating our 33rd season, which runs through April 2024.
